System Overall Benefits

ASAP Recruit manages the whole system for you, delivering it via the Internet to one user in one office, or many users across many offices.

With our "Cloud Computing Solution" there are many advantages:

- Reduce your internal IT costs
- Improve your System Reliability & Accessibility
- You only need an Internet browser to access the system
- No servers required, limited infrastructure required
- Infinitely scalable to meet your needs as you grow
- We utilises the latest firewall and security systems
- Improve your backup and security of data
- No IT maintenance costs
- No software license fees or upgrade costs

New to the System

Applicant Assessment Reports

Produce a single PDF report for hiring managers, containing Job evaluation details, Applicant details, Resume, Interviews, Reference Checks, Educational documents

Backup All Your Data In-House

With our unique cloud computing backup service, all your data can be backed up daily, stored in your office, efficiently, and in an easy to use format

A reference library of Interview and Reference Check questions accessible to all users within the system

Now fully customisable to suit your own business

- It helps to streamline and structure the interview
- It standardises the Interview process with all staff
- It will reduce incorrect hiring
- It is completely customisable

Who is ASAP Recruit?

The founders of ASAP Recruit have 30 years of business experience in the recruiting industry, know the recruiting pitfalls and what any size business really needs to gain best value for its recruiting spend. They have also been keenly involved in key global companies with a focus on bringing about organisational change and implementing new and efficient work practices using technology as an impetus for that change.

ASAP Recruit's key premise is to provide leading edge SaaS recruitment software over the Internet, at an affordable price for all business, small and large.

There is no reason why YOU can't have the benefits big corporations enjoy, at a fraction of the price!
